

1 Raymond, Assistant States Attorney from Baltimore, and  
2 President of the Young Democratic Club of Maryland.

3 DELEGATE JAMES: We are very happy to welcome  
4 Mr. Raymond. (Applause.)

5 The Chair failed to note that this amendment  
6 is really in the unnumbered section, Continuity of Govern-  
7 ment During Emergencies.

8 Before raising this particular issue, the question  
9 is raised as to whether there is any other amendment, other  
10 than Delegate Marion's, to section 10.03.

11 Delegate Marion, we will come back to your  
12 section 10.03 when the necessary copies arrive.  
13 Somebody at the print shop will pick up the amendment very  
14 shortly.

15 In order to handle all, the only other amend-  
16 ments the Chair has over the desk, we will temporarily  
17 pass over 10.03 and go to Delegate Gallagher's amendment,  
18 and will come back to 10.04 and 10.03.

19 The clerk will read the amendment to the un-  
20 numbered section, entitled "Continuity of Government  
21 During Emergencies", offered by Delegates Gallagher
